

ABOUT ME

"Passionate and motivated software developer with a strong foundation in web development and hands-on experience gained through a rigorous 6-month internship at TatvaSoft. Proficient in HTML, CSS, JavaScript, jQuery, and SQL, as well as Laravel, I am now seeking a full stack developer job with a main focus on React.js and Node.js, utilizing the technical knowledge acquired during my internship. I have successfully completed a B.E. degree from V.V.P. Engineering College."
